STATEMENT OF FACTUAL BASIS

The complainant states that this complaint is based upon the statements of the apprehending officers, that the Defendant was found and arrested on or about July 14, 2019, near Wellton, Arizona. Questioning of the Defendant by agents revealed that the Defendant is a citizen of Mexico, and was not in possession of valid documents allowing him to enter or remain in the United States.

By questioning the Defendant and through record checks; agents determined the Defendant was first ordered removed at or near El Centro, California on or about April 11, 2018. The Defendant was most recently removed on or about May 11, 2019, through the port of San Luis, Arizona.

Agents determined that on or about July 14, 2019, the Defendant re-entered the United States without the Secretary of the Department of Homeland Security having consented to reapplication by the Defendant for admission into the United States.
